

The
Western New York Free Flight Society
presents the
2020 Spring Opener
for the
National Warplane Museum Series
of
Outdoor Free Flight Contests
MAY 8-10, 2020

Version 1 January 7, 2016

Event Particulars

Friday, Saturday, and Sunday
Flight times 9:30 to 4:00 PM
Come early and fly often

Location:
National Warplane Museum
Geneseo, NY.

As the first flying event of the National Warplane Museum Series, the Spring Opener provides an opportunity to clear the cobwebs off your existing fleet and work the kinks out of any new models. The event list is non-existent as are the prizes. FAC events may be flown on an ad hoc basis. Those with the required minimum number of flyers will be reported to the Keeper of the Kanones. FAC events will be flown per the current Rulebook.

Keep in mind that weather and field conditions can be difficult in May. It is not unusual to find conditions are not suitable for even the most gung ho competitor. Send an email to wnyffs@rochester.rr.com if you would like a status report just prior to the meet.

As always, AMA or MAAC proof of membership is **required** for all flyers, contest or casual. Field use and registration fee of \$10 covers both days and helps support the National Warplane Museum.
