Flying times posted for the events are subject to change based on weather conditions. If the weather is good we can extend the flying (on either end) or if weather is bad, flying time may be shortened. Stay in touch with CD Mark Rzdca (wnyffs@rochester.rr.com)

In addition to flexibility regarding flying time, the events flown are flexible as well. If sufficient flyers make official flights to warrant a Kanone, the event will be included in the report.

Entrance & Registration Fee: \$10 for contest & casual flyers. Juniors fly free. ALL contest & casual flyers must register

Proof of AMA or MAAC membership (incl. juniors) required. National Warplane Museum membership encouraged.

All events will be flown to the current FAC Rules.

- Scale judging scores from previous Nats/Non Nats events will be used; contestants are strongly encouraged to bring official results to reduce judging work load.
- Both Judged Scale events will be flown BEST of three flights.
- Merchandise prizes will be awarded to First Place Winners in both Dime Scale events.
- Many Half Wake models can be flown in Old Time Rubber Fuselage. If there are enough modelers able and willing, we will fly Half Wake. Bring your models and let the CD know you would like to fly.
